ABOUT US

“SAMSCO is one the most modern and sophisticated construction companies in the region.”

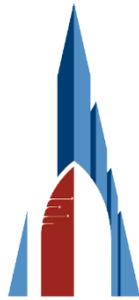

SAMSCO is a firm, to carry on business as **Civil Engineers, Contractors, Builders, Project management, Interior Decorators and QS Consultants.**

SAMSCO is an established building artisan and construction expert, with a wide array of created masterpieces under our belt. From cozy condominiums to large scale projects, our delivery is both punctual and impeccable. Our team comprises of specialized individuals who dedicate their life to making your life more comfortable. We strongly believe in the uniqueness of each person, which motivates us to build structures that hold no resemblance to the commonplace. We know that “Home is where the heart is”. After all, we are a company that turns common quotes into remodeled axioms.

SAMSCO deal with residential, commercial, industrial, multistoried building construction, Interior fit out, Design services, Construction management services and are committed to delivering every project on time and with budget. Every project of SAMSCO confirms to stringent quality standards and is backed by some of the most brilliant minds-architects and engineers who ensure uncompromising execution-right from the approval from authorities, the choice of materials and final execution.

SISTER CONCERN

SAMSCO has another venture called ALADDIN ACADEMY which trains students and Professionals in Civil Engineering domain. For more information check www.aladdinacademy.co.in

ABOUT ALADDIN ACADEMY

ALADDIN ACADEMY is the India's Leading and Best Training Institute of Civil Engineering and Architecture. We are Conducting Technical Courses and Training's which are ISO Certified and are accredited with American International Accreditation Organization Bureau of Accredited Registrars (AIAO-BAR).

We Develop the Training Program based on the Practical Requirement with Current Market Scenario that has been built over the years in Various Specialist Areas. We Make Best Engineers and Architects for the Industry.

The Academy has a spectrum of courses for Civil Engineering Students, Architectural Students and Working Professionals for enhancing their academic achievements on one end, with certificate courses being offered as a part of Academy's interest towards social responsibility for the economic and social development.

WHY ALADDIN ACADEMY

- Provide Hands & Practical oriented training
- Course curriculum covers the Industrial needs
- High class infrastructure
- Course curriculum design for working in India and Abroad by Industry experts
- ISO Certified certificate will be provided which will add value during Job Interview
- Evening and Weekend batches are also available
- Affordable fees
- 100% Job oriented training

COURSE OFFERED BY ALADDIN ACADEMY

Corporate Courses:

- Quantity Surveying and Building Estimation
- Planning Engineering with Primavera P6
- Structural Design of Buildings
- Architectural Designing and Drafting and many more

Career Guidance:

ALADDIN ACADEMY (TRAINING AND PLACEMENT CENTRE FOR CIVIL ENGINEERS) Conducts FREE CAREER GUIDANCE for Third year and Final year Civil Engineering Students to share details about various Job Opportunities available for Civil Engineers and Skills need to develop before entering to the Construction Industry.

Workshop:

ALADDIN ACADEMY Conducts WORKSHOPS on Various Courses for Third and Final year Civil Engineering Students. We assure that the Students will get an Industrial Exposure during the workshop since we are bridging the gap between the Industrial requirements and Academic syllabus.

Placement Support:

ALADDIN ACADEMY is dedicated to provide recruitment across Tamil Nadu by partnering with Top Engineering Colleges and Construction Companies hence bridging the gap between the talented students looking for their dream jobs and the companies hunting for fresh and unexplored potential.
